Copies of the schedule will be posted throughout the festival site and at each festival adjudication room. No schedules will be distributed from the festival office during the festival.

DISCIPLINE:

Please encourage students to follow all the MHS rules. The Helena High School administration asked that all the music teachers monitor the classrooms while they are attending the adjudication sessions. They also asked that you pass onto your students that they should refrain from entering and lounging in the hallways in the areas of the school that are not being used as festival sites. Refer to the MHS Handbook for behavior expectations and discipline. Please remind students to use the garbage cans.

Ratings will be posted in the festival office (directors only). Only the school music directors will have access to the ratings during and at the end of each day of the festival. The forms and ratings will be given to the directors only.

Bozeman Site: additional instructions for directors and participants

Bus Parking: Please note that there is zero parking access to the music area from Ruth T. Lane along the football field during the school day. Bus parking between 8:00-4:00 on Friday will be in the oval off Main Street which is close to the band warm-up and performance area. It will be a short walk for the choirs.

Other: Before making schedule change requests, please understand that Bozeman HS will be in session Friday the 21st. We are unable to displace Bozeman classes without causing great problems. The “home” groups are scheduled during their normal class periods. Because we are unable to turn off the bells/announcements, we need to use the normal class time slots to alleviate disruptions to performances.
