The Common Application is a useful tool if you are planning on applying to several out-of-state schools. Montana's public universities use ApplyMontana.com to host their common app.

NOVEMBER 2022

- ☐ Nov. 7 Second Quarter Begins
- ☐ **Nov. 23-25 Thanksgiving Break**
- ☐ Search and apply for scholarships. This is a tedious process, but it is a necessity! There is free money available, but students have to complete the process in order to get it. So many scholarships go unused simply because students didn't apply for them, especially in the spring.

Follow the HHS online scholarship list! Check it every week for updates. You can also pick-up a printed version of the list in the counseling office.

A few tips: Use a calendar to keep track of deadlines! If you need a letter of recommendation

give the author 2-3 weeks advanced notice. Fill out the scholarship forms in blue or black ink, or, better yet, type it. If the scholarship requires an essay, put forth a solid effort. Have an adult proofread your work. Stay motivated! Applying for scholarships is an investment of time and effort, and it can pay off in the end.

SENIOR PICTURE GUIDELINES

While we encourage you to explore your options during the photo session, there are a few things to act on when it comes to submitting your yearbook photo. Please have your professional photographer submit your senior picture following these instructions:

1. Photos must be submitted in a digital format by email (mwalsh@helenaschools.org) or on CD. The digital image must be no smaller than 4x6 inches and 300 dpi. They must be saved as lastnamefirstname. For example, Anna Smith would be Smithanna. Photos taken on a cell phone are NOT high enough resolution and may be denied for print.
2. Image must be good clarity and detail. Image should be made from the original digital image or negative. No special effects permitted.
3. All photos MUST be in color. No black and white or sepia photos will be accepted.
4. Scanned images from photographs may not be accepted due to loss of quality in the scanning process.
5. Photos must be a professional looking portrait from the waist up.
6. No props may be visible, i.e. cars, animal, flags or instruments. We would rather highlight you on the other pages in this manner.
7. Dress should be appropriate attire; standard school dress is suggested.
