- ❖ History – IDEA, researching the tribes of Montana.

Collaboration Works!

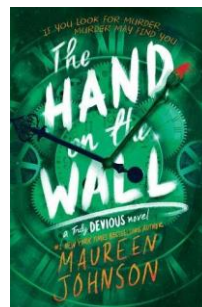

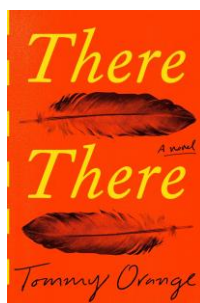

- ✓ Plan ahead with a teacher-librarian. Brain-storming with student-teacher Mr. Cox led to a plan that will help students express their knowledge of the renaissance era with Adobe. Mrs. Thennis is gazing ahead to next year by using Native American astrology to connect with a science unit; Ms. Didriksen found the perfect resource. Collaboration saves teachers time and effort.

Collaborate with a librarian: [start here](#) or send an email to your librarian.
