Helpful Planning tips for the summer.

Technology heads up!

Avoid artificial intelligence submissions by utilizing [Turnitin.com](https://www.turnitin.com). Ask a teacher- librarian how it works. Need an account, talk with Shannin Preshinger.

[YouTube.com](https://www.youtube.com) – Do not assume students can see YouTube videos on their Chromebooks (even with previously used lessons). Technology’s software blocks YouTube videos unless cleared on the “whitelist.” This could apply to other sites like podcasts too. Submit a work ticket to be sure or have a student check on their Chromebook ahead of class time.

Collaborate with a librarian: [start here](#) or send an email to your librarian.
