SENIOR PICTURE GUIDELINES

While we encourage you to explore your options during the photo session, there are a few things to act on when it comes to submitting your yearbook photo. Please have your professional photographer submit your senior picture following these instructions:

- 1. Photos must be submitted in a digital format by email (mwalsh@helenaschools.org) or on CD. The digital image must be no smaller than 4x6 inches and 300 dpi. They must be saved as lastnamefirstname. For example, Anna Smith would be Smithanna. Photos taken on a cell phone are NOT high enough resolution and may be denied for print.
- 2. Image must be good clarity and detail. Image should be made from the original digital image or negative. No special effects permitted.
- 3. All photos MUST be in color. No black and white or sepia photos will be accepted.
- 4. Scanned images from photographs may not be accepted due to loss of quality in the scanning process.
- 5. Photos must be a professional looking portrait from the waist up.
- 6. No props may be visible, i.e. cars, animal, flags or instruments. We would rather highlight you on the other pages in this manner.
- 7. Dress should be appropriate attire; standard school dress is suggested.
