Writ 101 requires a 7 on the ACT Writing or an 18 on the ACT ELA component. If you choose Eng Comp 101 you must select another Eng class for a semester.

I have been advised that the Montana University System (MUS) has Math proficiency standards that require a C or better in 4 years of high school math (or a 22 ACT Math score). I am waiving the recommendations of the HHS Counseling and Math Departments to sign-up for the next sequential math course in the college prep curriculum. I have been informed that all remedial math classes at the 2 and 4 year colleges will be noncredit and full tuition. MUS Honors Scholarship requires 4 years of math and 3 years of science. Final math placement will be determined after 2nd semester grades are posted.
