

Pre-AP English 2

SUMMER ASSIGNMENT INTRODUCTION

Essential Question:

What happens to a society that stops asking questions?

Hello! You are receiving this assignment because you signed up for Pre-AP English 2 next year.

A lot of what we will be doing in class is synthesizing various sources to think more critically about a problem or question. Therefore, I have created a summer reading assignment that directly aligns with the skills and strategies we will be using next year. This assignment will help me better understand where your skills currently are, and how we can strengthen them in our time together next year.

I have uploaded everything you need for this assignment in the Pre-AP Honors 2 Team. If you need help with anything, email is the best way to get ahold of me in the summer (abroadhead@helenaschools.org). However, please be mindful that it is summer break, so you might not get an immediate reply. Avoid putting this off until the end of summer, it will take some time to complete! Have a great summer, we will see you in August!

-Ms. Broadhead

▶ When school resumes on **Thursday, August 29th** you will need to have two assignments ready to turn in:

1- Notes from your BINGO choices (minimum of 5)

2- One Pager that answers the essential question;

What happens to a society that stops asking questions?

▶ The FILES tab in our team contains a PDF of every source you will need to complete the above assignments. If you prefer, there will be hard copies of the novel choices available for checkout in the main office.

▶ In the ASSIGNMENT HANDOUTS folder, each document is numbered in the order you should work through them. There is also a checklist in there, to ensure you don't miss any steps!
