# 12th Grade

## Registration

Helena High School

Writ 101 requires a 7 on the ACT Writing or an 18 on the ACT ELA component.  
If you choose Eng Comp 101 you must select another Eng class for a semester.

I have been advised that the Montana University System (MUS) has Math proficiency standards that require a C or better in 4 years of high school math (or a 22 ACT Math score). I am waiving the recommendations of the HHS Counseling and Math Departments to sign-up for the next sequential math course in the college prep curriculum. I have been informed that all remedial math classes at the 2 and 4 year colleges will be noncredit and full tuition. MUS Honors Scholarship requires 4 years of math and 3 years of science. Final math placement will be determined after 2nd semester grades are posted.

Choose 7 elective courses BELOW, & list them in order of preference (1 being the class you would like to take the most). Choices 5, 6, & 7 will be entered as alternative courses & will be used if there is a conflict in scheduling. If you are signing up for a semester course, be sure to sign up for two semester courses with the same preference number so as to cover both 1st & 2nd semester.
